

Class of 2023, 'Seize the Moment'

The Class of 2023 exercised strong and inspirational leadership, fostered unity and 'seized every moment' this year, and is with great excitement that we share with you our girls' exceptional HSC results.

In true keeping with their theme, 'Seize the Moment', our Year 12 girls consistently demonstrated the great value of having a balanced approach to school life; they supported one another, worked together collaboratively, and strived to achieve their personal best in every endeavour, while continuing to be engaged in myriad activities alongside their studies.

Our girls were supported beautifully in their endeavours by their teachers, their parents and families, and the whole school community. We certainly recognise and appreciate the role everyone plays in the girls' successes, and we especially would like to thank our talented and dedicated teachers for the outstanding education and wonderful guidance they provided each of our girls. Thank you.

We are eager to see where the girls' paths will lead them beyond the gates of Abbotsleigh and we know that each girl's rich character, enthusiasm, hard work, perseverance and courage will hold her in great stead as she strives to achieve the dreams she holds for her future.
