

On Monday 'yLead' facilitated a full day program for our Year 11 cohort. Through a range of engaging and high energy activities, our girls were challenged to consider the strengths, gifts and passions that are uniquely theirs and to 'use the things that make them different to make a difference.' There was much discussion around strong and effective teams being those that know the direction they are going but embrace differences and utilise the strengths and gifts of individuals to realise their goals. Mother Teresa aptly summed up the essence of this message when she said, "I cannot do what you can do. You cannot do what I can do. Together we can do great things."

The power of collective leadership was a key focus on the day. Whether badged or not, every student has something to offer, and when they work together, they can achieve remarkable things and in the process, have a wonderfully memorable experience. This was illustrated beautifully when the girls were set the challenge of seeing how long it would take to get the entire cohort of 190 girls successfully through a large turning skipping rope.

Their first attempt was a commendable three minutes. Over the next hour they reflected and they strategised; they refined their communication, honed their technique and they clarified their game plan. On their fifth attempt, they achieved the unthinkable – 190 girls successfully through in 13 seconds. Every team member was in sync, gave their best and worked together. The scene was priceless. There was jumping and squealing, stumps and shouts of jubilation; a poignant reminder of the joy that comes from working together to achieve a goal.

"Leadership is for everyone, you just have to step up" said one girl at the close of the day as she shared her key takeaway. Another said, "Great leadership is about leaving a legacy that you and others are proud of." Such wise and insightful words to wrap up a wonderfully inspiring day and make us eagerly anticipate our next cohort of Year 12 leaders.

Prayer

Rev Sarah Hobba
Senior Chaplain and SS Christian Studies Teacher

The practice of prayer is hugely important for many people. There are many ways that prayer finds expression in people's lives; formal and informal, regular and irregular, public and private. Members of our school community meet to pray within staff groups and a termly parent group (ACF – Abbotsleigh Christian Fellowship) which met this week. Prayers focus on our world, our nation and the Abbotsleigh community. Sometimes when we look at the concerns and issues around us, whether global or local, it is hard to know what to do and what action to take. We can pray. Sometimes we don't even know what to say or pray. The Bible says the Holy Spirit knows and prays for us. Below, are some reassuring words from the scriptures about prayer.

In certain ways we are weak, but the Spirit is here to help us. For example, when we don't know what to pray for, the Spirit prays for us in ways that cannot be put into words. All of our thoughts are known to God. He can understand what is in the mind of the Spirit, as the Spirit prays for God's people. We know that God is always at work for the good of everyone who loves him.

Romans 8:26-28a

Have no anxiety about anything, but in everything, by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God which passes all understanding, will keep your hearts and minds in Christ Jesus. Philippians 4:6-7 (also our School Lesson)

This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us. And if we know that he hears us – whatever we ask – we know that we have what we asked of him. 1 John 5:14-15
